6th Grade Lunch: 11:55 Outside Recess...12:15 Inside to Eat

5th Grade Lunch: 12:15 Outside Recess...12:35 Inside to Eat

A Message From the Principal~Mrs. Boyd

What a great week! It is truly awesome to start a fresh new year and feel the excitement. YOU would have been so proud of your student Thursday as we held our Red, White and Blue, September 11th moment of silence and remembrance by our flag pole. We discussed the fact that terrorism is similar to bullying, and students signed and posted their commitment that we are friends at Fancher, not bullies. We wrapped up the ceremony with patriotic songs....my favorite part! What great kids we have!

Mrs. Boyd

DIBELS Testing

On Tuesday, your child will be assessed using a tool called DIBELS, on their Oral Reading Fluency. This reading assessment requires 3 one-minute readings, and the data obtained will be *one* of the pieces of information that we use to ensure that we are meeting your child's needs as a reader. The DIBELS assessment team is made up of DIBELS-trained retired teachers.

MEAP Time

Please jot down these MEAP testing dates to avoid any absences.

Students do best when they are able to take the MEAP test with their peers, in their homeroom setting.

October 13th:

Reading Session I

October 14th:

Reading Session II

October 15th:

Reading Session III

October 20th:

Math

October 22nd:

Science (5th)

Social Studies (6th)

We can use your help with MEAP snacks!!

Notes home will follow

Morning Routine:

Students are expected to play outside each morning until they hear the line-up bell. Students are not allowed to drop items off in their locker.
